

Serial No. 09/715,902

II. Claims 24-28, drawn to methods of producing an immune response by culturing T cells ex vivo and administering them in vivo.

Applicants elect the Group I claims (1-23 and 29-31), with traverse, for initial prosecution on the merits. The election is respectfully made with traverse, because it is believed that a search and examination of the entire application can be made without serious burden.

### CONCLUSION

Applicants submit that the claims of the present invention are in condition for allowance, early notification of which is earnestly solicited.

### FEES

The Office is authorized to charge the fee of \$110.00 required for a one-month extension of time, as well as any additional fees required, to deposit account number 50-1047.

Respectfully submitted,
